Villas in hyderabad

FOREST®

Market Overview

- *The Hyderabad villa market in 2026 is experiencing strong demand for spacious independent living within gated communities.*

- *Premium locations are concentrated in the South Hyderabad corridor (Rajendra Nagar, Narsingi, Budvel) and the Western corridor (Nallagandla, Tellapur), with prices ranging from ₹2.25 Cr to ₹36.1 Cr depending on size and location.*

Why Choose Villas

- Villas offer several advantages over apartments, including individual living with separate gardens and terraces, greater ventilation, and the ability to accommodate multi-generational families.

- Modern luxury buyers demand careful architectural planning, smart home features, private outdoor spaces, clubhouses, pools, wellness areas, and 24/7 security. These features enhance both daily living and the property's resale and rental value.
